

CD Playing Time Disclaimer

Company: _____

Contact: _____

Duplium Selection Number: _____

Cust Ref No: _____

Title: _____

The Philips CD specification for CD Audio and CD-ROM formats defines the maximum playing time as 74 minutes, 44 seconds or 650Mb. Duplium will accept masters of up to 77 minutes. Longer playing times of up to 85 minutes may be possible but Duplium cannot guarantee that the disc will play satisfactorily in all CD players/drives.

Where the length exceeds 77 minutes, Duplium will only commence production upon receipt of this disclaimer from the Customer acknowledging the above.

- o CD-Audio
The length of play of the above CD is: _____min _____sec.

- o CD-ROM
The program length of the above CD is: _____MB.

And as such exceeds the recommended specifications for length of play. In signing and returning this form, I understand that Duplium cannot guarantee playability of these discs on all drives.
